### **LETTER OF INTENT BETWEEN ROUEN 2028 TO SKOPJE 2028**

The aim of this letter of intent is to build a base for future cooperation, which is mainly the organisation of cultural, communal, educational and communication activities with an important impact for Rouen 2028 and Skopje 2028 ECOC projects.

Our aim is to identify common visions within the goals and values of our both candidacies – potential candidates for the European capitals of culture, in the following fields:

- European dimension
- Inclusion and participation
- Environmental ambitions
- Personalization and identification of cultural persons involved within the region
- Creation of artistic and cultural program
- Capacity building and communication.

With our signature I/we support the visions of the projects Skopje 2028 and Rouen 2028.

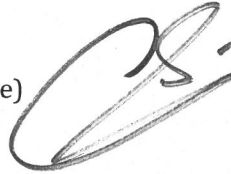

Future cooperation on the Rouen 2028, and Skopje 2028 projects will be clearly formulated in other documents and agreements developing this goal of future cooperation. By agreeing this goal there are no legal obligations or expenses.

This Letter of Intent is an agreement before signing an official memorandum between two officials, for further mutual collaborations.

In witness whereof, the Parties have expressed their intent to sign this letter digitally and inserted their electronic signatures.

On behalf of the partners:

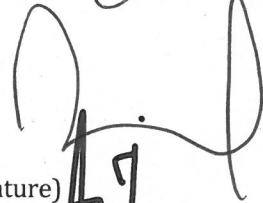

Marie Dupuis-Courtes, President - Rouen 2028 (signature)
